Volume III
Parkdale Senior High
Riverdale, Maryland

Black retreats.
Half shades of white
Sweep the silence.
A sliver of hope
Comin' through,
Stripped
Naked to life,
A virgin
Eager to become.

Where do we go from here?

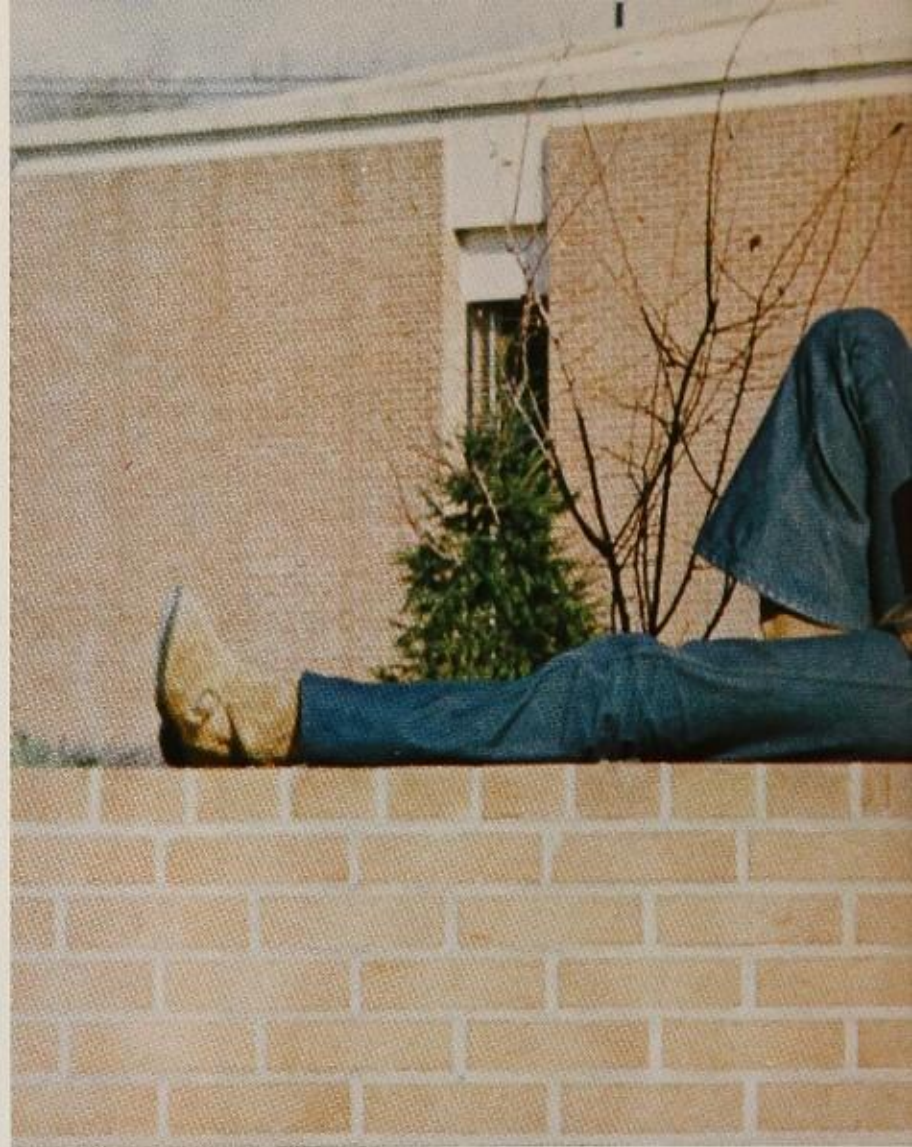

Like a rat within a maze
The path before me lies
And the pattern never alters
... Until ... the rat
... Dies

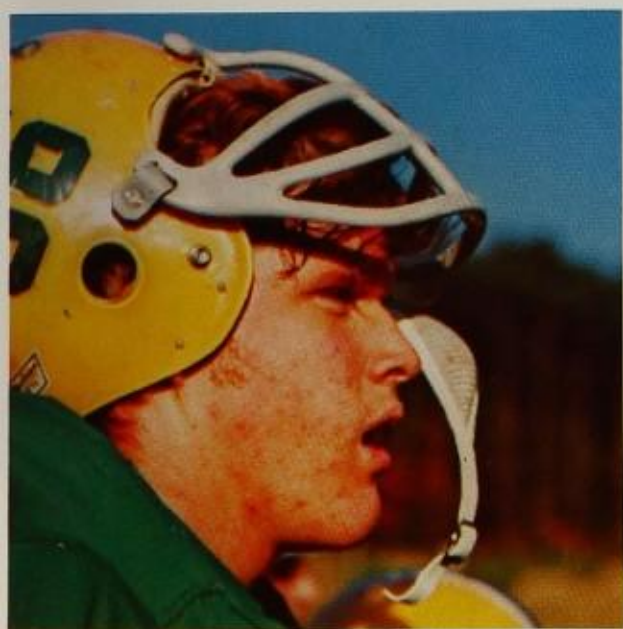

Simon and Garfunkel

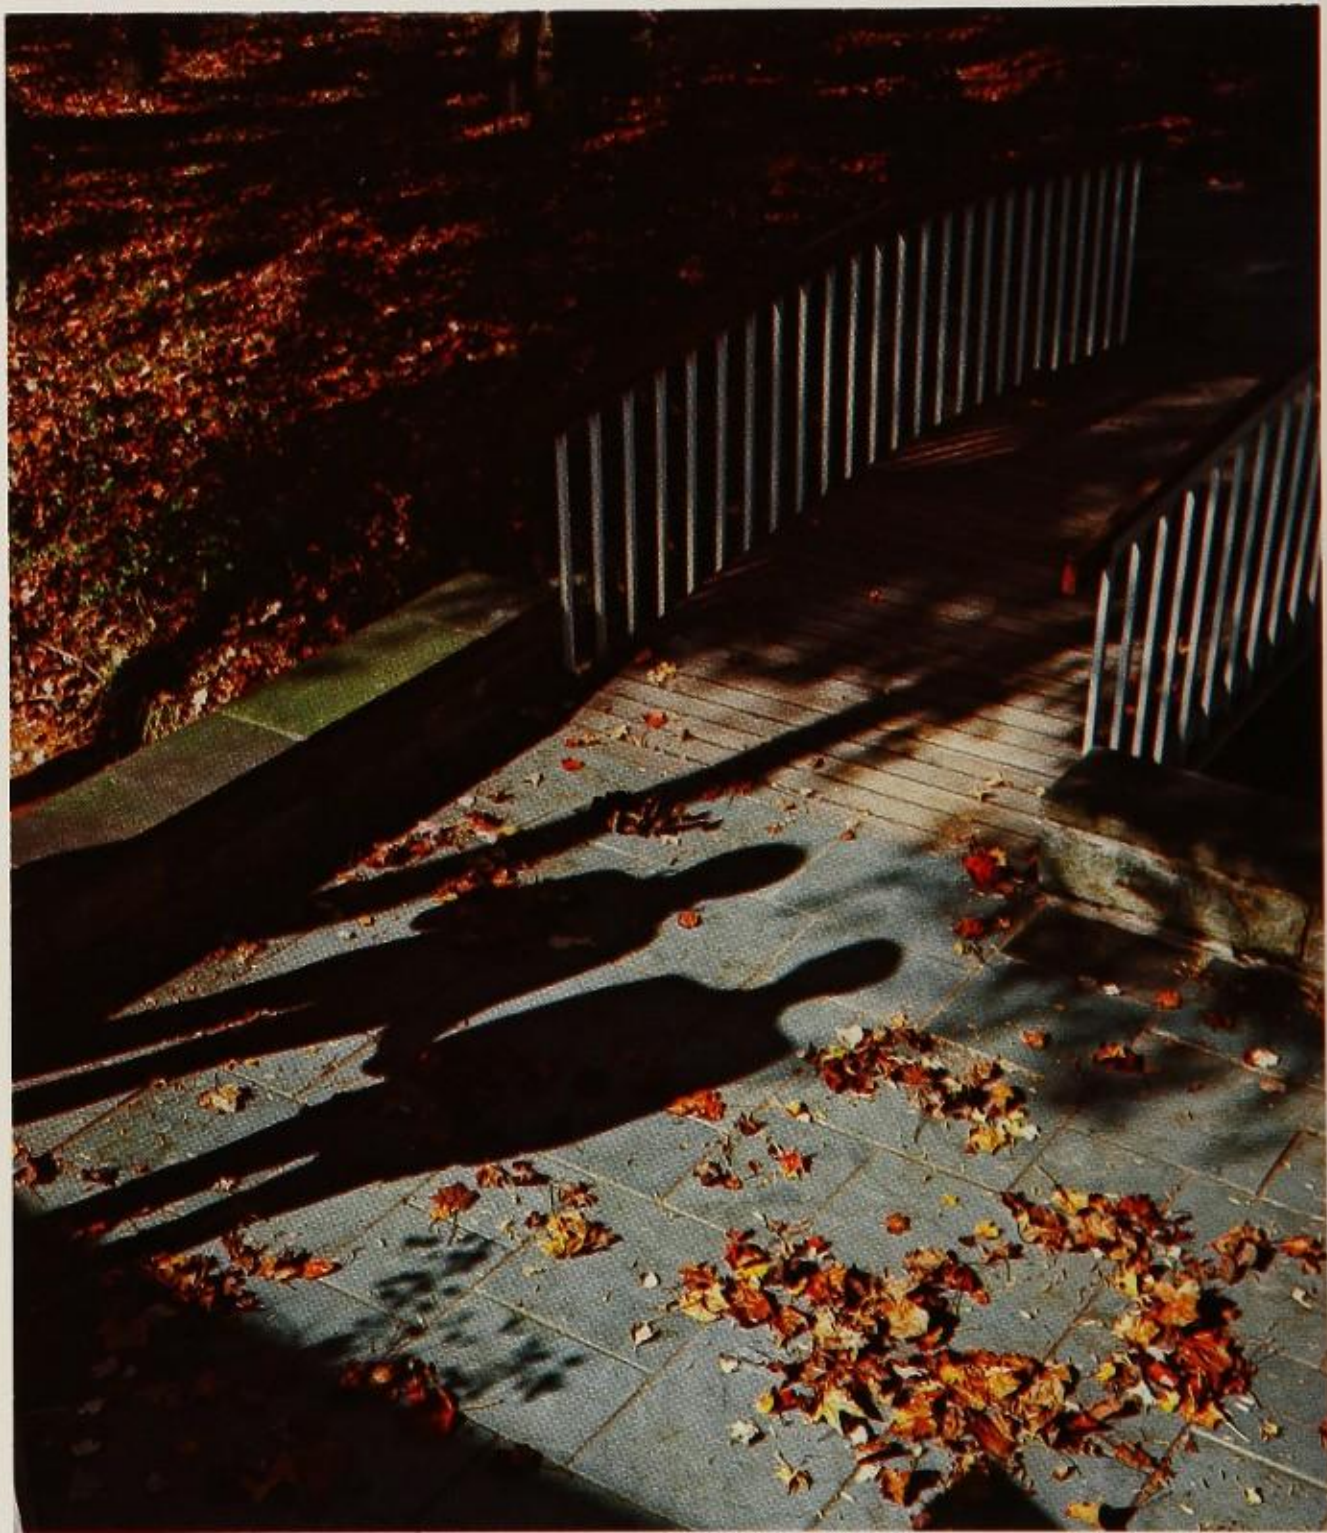

I am only one
I cannot do everything.

Still
I am one
I can do something,
and because
I cannot do everything
I will not refuse to do
the something
I can do.

Adapted from a verse by E. E. Hale

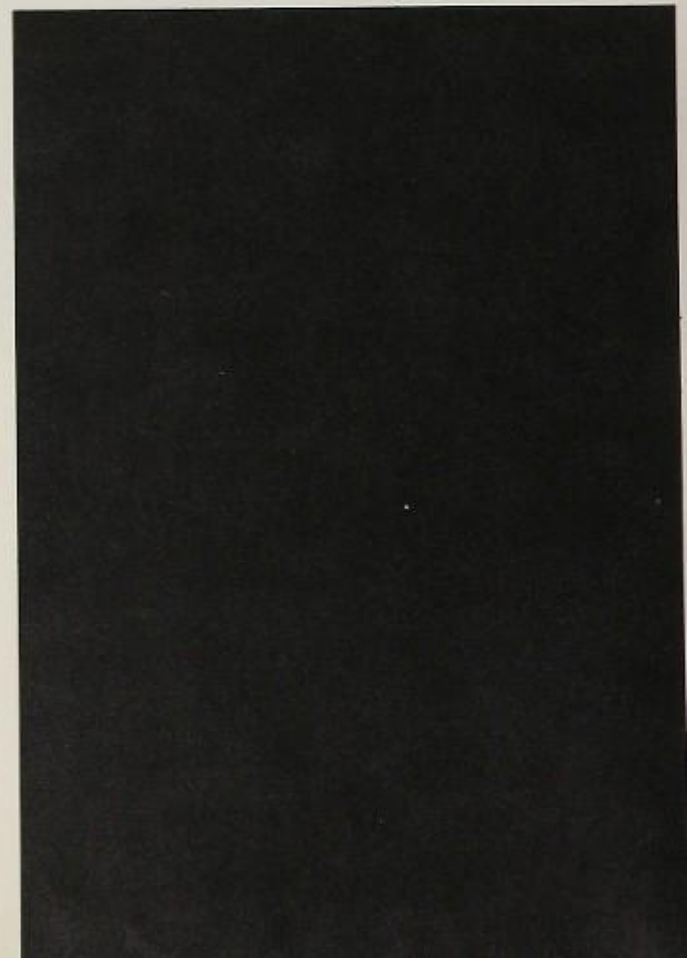

Friends —
They're something to cuss at —
and argue with —
and plan with —
and dream with —
and love and protect —

Bob Johnston

Reach out for someone
Meet someone halfway

at least talk to each other

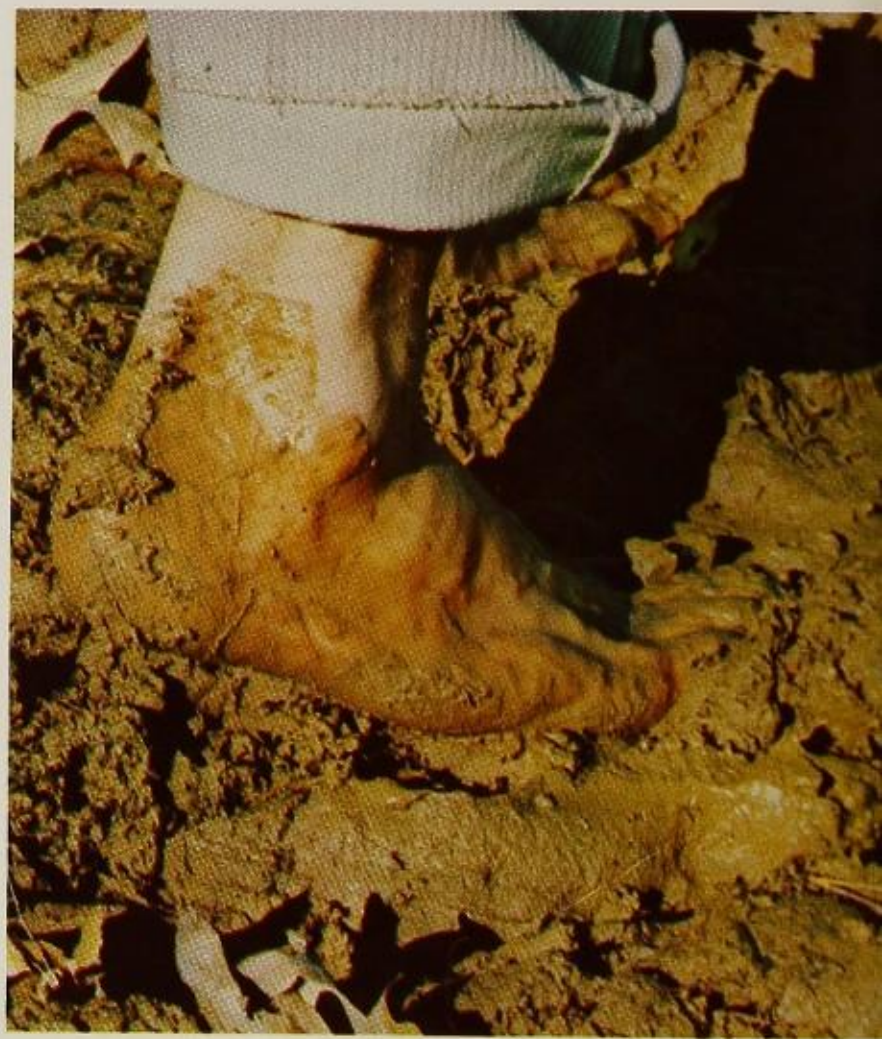

What has been
will be,
and what has been done
is what will be done;
And there is
nothing new
under the sun . . .

Solomon

So
I'll continue to continue
to pretend
my life will never end
and flowers never bend
with the rainfall

Simon and Garfunkel

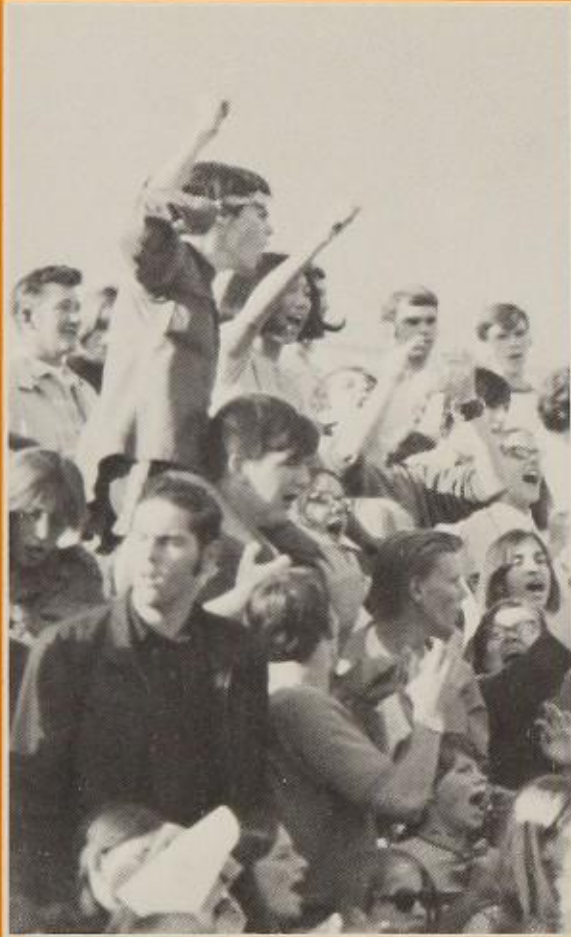

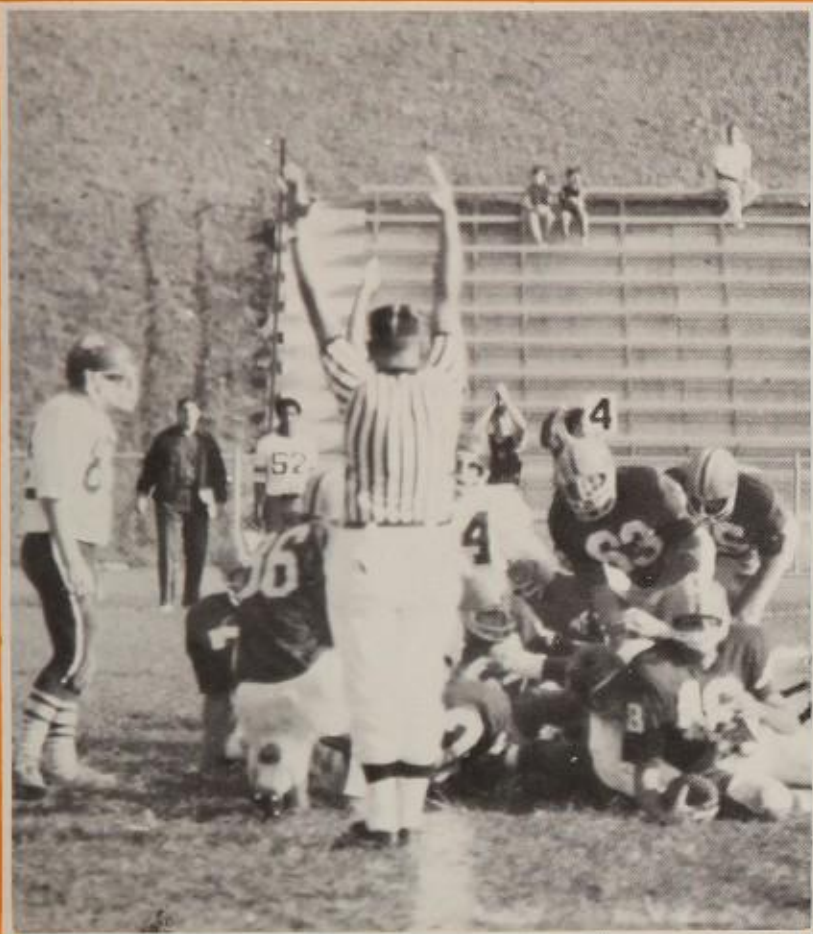

. . . hardly.

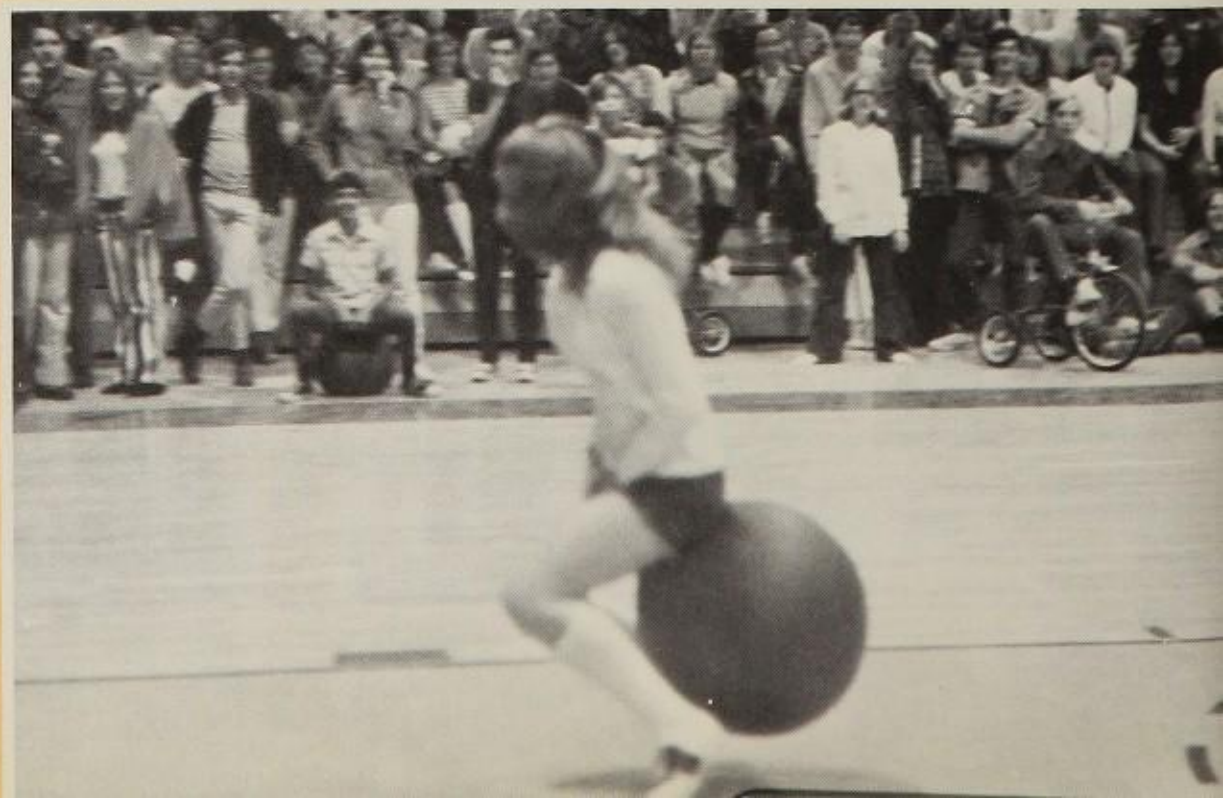

Be yourself. Think for yourself.
Do what you want to do — because
you want to do it.

Basically a running team, the leading rusher, Tom Dannessa ran for over 1,000 yards. Craig Bittenbender was the leading scorer, crossing the goal line for 46 points. The secondary, led by defensive captain Marc Gregory, shut out opponents in four games.

of the dawn.

**An Army Recruiter can
guarantee your choice of training
Before you enlist.**

An Army Recruiter is more
than a man of his word.

He's a man whose word is
guaranteed. In writing.

First he helps you pick the
training course that's right for
your abilities and interests.
There are hundreds you can
choose from.

Then he guarantees you'll
get that training. In the form
of an official letter that spells out
the school, the number of the
course, and even the date it starts.

All this before you step for-
ward and raise your hand.

Your future, your decision.
Choose ARMY.

Surfing

Hawaii in Dec. is happiness.
Rincon on a good day is happiness.
A new surfboard is happiness.
Summer is happiness.
A good surf movie is happiness.
Having a secret surf spot
all to yourself is happiness.

Is Happiness

A slight offshore wind is
happiness.
Having all of these on the
same day is happiness.
Misery is knowing that
this really doesn't
happen very often.
